Dear Student:

In recognition of your outstanding scholastic record, you are being invited to membership in Delta Mu Delta, international honor society in business administration. Membership in Delta Mu Delta should be the ambition of every person who pursues a degree in business administration where Delta Mu Delta membership is possible. It is an honor indicative of earnest, intelligent purpose and rewarding achievement.

Your eligibility for membership in Delta Mu Delta places you in a very select group because membership is restricted to outstanding scholars in institutions with Delta Mu Delta chapters.

We congratulate you on your academic achievements and look forward to your acceptance of this invitation to lifetime membership in Delta Mu Delta. Separately you will receive instructions for accepting membership along with the name of your local chapter's faculty adviser.

Sincerely,

Michael V. LaRocco
